## About SJS Strategy

Founded in 2019, SJS Strategy is a Melbourne-based scenario planning consultancy that helps organisations explore, adapt and thrive in a changing world. Exclusively focussed on scenario planning, SJS Strategy helps leadership teams create structure in uncertainty about the future so they can align, make confident decisions and fast-track their strategic planning. SJS Strategy’s clients work in the public, private, academic and not-for-profit sectors, ranging from global mining firms to state energy regulators and from universities to peak industry bodies.
